

The European Leadership Forum is pleased to announce the debut of the European Christian Philosophers Network at the 2012 Forum (19-24 May).

This Network will aim to support and encourage European Christian philosophers as they seek to incorporate their faith into their research projects, teaching, and mentoring. Because of this, the primary focus of the Network at the Forum will be the examination of philosophy from a specifically Christian perspective. Speakers who will be featured in the 2012 Network are William Lane Craig, Doug Groothuis, Bruce Little, Mike Ovey, Jerry Root, Mats Selander, R. Scott Smith, and Ralph Henk Vaggs. The full Network programme, including more about each speaker, is available online at [www.euroleadership.org/philosophers](http://www.euroleadership.org/philosophers).

In addition to the fellowship and learning opportunities the Philosophers Network will provide, the Forum is pleased to offer the following to Network participants:

**1) SCHOLARSHIPS**

Scholarships are available to Network participants and will be awarded according to need. Scholarship recipients will pay a maximum of 50 Euros in conference fees and cover their own travel costs. To apply for a scholarship, please send an email with the subject heading, "Philosophers Network Scholarship," to Kevin Saylor at [ksaylor@euroleadership.org](mailto:ksaylor@euroleadership.org).

**2) CALL FOR PAPERS:**

The 2012 Network will feature a twenty-minute time slot each day for one of four selected participants to present a philosophy paper. Any interested participant should be a PhD student in philosophy and submit one paper limited to 2,000 words for a 15-minute presentation. The reading of each paper will be followed by evaluation and discussion by Network speakers and participants. Papers selected will exemplify the highest standards of philosophy written from a historic Protestant point of view. All papers should be submitted to Kevin Saylor at [ksaylor@euroleadership.org](mailto:ksaylor@euroleadership.org) by **1 March 2012**.

If you wish to see for yourself how God is raising up leaders in Europe to fight for truth in a secular age, then please consider applying to attend the Philosophers Network at the 2012 European Leadership Forum.
